

## Summary of Benefits

Group Dental Plan  
DHMO Plan

### Dental HMO Elite 75

This Summary of Benefits shows the amount you will pay for Covered Services under this Blue Shield of California Plan. It is only a summary and it is included as part of the Evidence of Coverage (EOC)<sup>1</sup>. Please read both documents carefully for details.

#### Dental Provider Network:

#### DHMO Network

This Plan uses a specific network of dental care providers, called the DHMO provider network. Dentists in this network are called Participating Dentists. You must select a Participating Dentist from this network to provide your primary dental care and help you access services, but there are some exceptions. Please review your Evidence of Coverage for details about how to access care under this Plan. You can find Participating Dentists in this network at [blueshieldca.com](https://blueshieldca.com).

#### Calendar Year Deductible (CYD)<sup>2</sup>

A Calendar Year Deductible (CYD) is the amount a Member pays each Calendar Year before Blue Shield pays for Covered Services under the Plan.

|                          |                     | When using a Participating Dentist <sup>3</sup> |
|--------------------------|---------------------|-------------------------------------------------|
| Calendar Year Deductible | Individual coverage | \$0 per individual                              |
|                          | Family coverage     | \$0                                             |

#### Calendar Year Benefit Maximum

This Plan pays up to the maximum payment amount as listed for Covered Services and supplies per year.

|                               | When using a Participating Dentist <sup>3</sup> |
|-------------------------------|-------------------------------------------------|
| Calendar Year Benefit Maximum | No maximum                                      |

#### Waiting Period

A waiting period is the length of time you must be covered under the Plan before Blue Shield will pay for Covered Services.

|                |                   |
|----------------|-------------------|
| Waiting period | No waiting period |
|----------------|-------------------|

#### No Lifetime Dollar Limit

Under this Plan there is no dollar limit on the total amount Blue Shield will pay for Covered Services in a Member's lifetime.

Blue Shield of California is an independent member of the Blue Shield Association

Covered Services are listed with the American Dental Association (ADA) procedure code.

| ADA Code | Services                                                                                                     | When using a Participating <sup>3</sup> Dentist |
|----------|--------------------------------------------------------------------------------------------------------------|-------------------------------------------------|
|          | <b>Diagnostic services (exams and x-rays)</b>                                                                |                                                 |
| D0120    | Periodic oral evaluation                                                                                     | \$0                                             |
| D0140    | Limited oral evaluation – problem focused                                                                    | \$0                                             |
| D0145    | Oral evaluation for a patient under three years of age                                                       | \$0                                             |
| D0150    | Comprehensive oral evaluation                                                                                | \$0                                             |
| D0170    | Re-evaluation – limited, problem focused (not post-operative visit)                                          | \$0                                             |
| D0171    | Re-evaluation – post operative visit                                                                         | \$0                                             |
| D0180    | Comprehensive periodontal evaluation                                                                         | \$0                                             |
| D0210    | Intraoral comprehensive series radiographs - includes bitewings (once every 36 months)                       | \$0                                             |
| D0220    | Intraoral periapical radiograph – first film                                                                 | \$0                                             |
| D0230    | Intraoral periapical radiograph – each additional film                                                       | \$0                                             |
| D0240    | Intraoral occlusal radiograph                                                                                | \$0                                             |
| D0250    | Extraoral – first 2D projection radiographic image created using a stationary radiation source, and detector | \$0                                             |
| D0270    | Bitewing radiograph – single film                                                                            | \$0                                             |
| D0272    | Bitewing radiograph – two films                                                                              | \$0                                             |
| D0273    | Bitewing radiograph – three films                                                                            | \$0                                             |
| D0274    | Bitewing radiograph – four films                                                                             | \$0                                             |
| D0277    | Vertical bitewings – 7 to 8 images                                                                           | \$0                                             |
| D0330    | Panoramic radiograph film (once every 36 months)                                                             | \$0                                             |
| D0350    | 2D oral/facial photographic images, non-orthodontic, obtained intraorally or extraorally                     | \$0                                             |
| D0372    | Intraoral tomosynthesis – comprehensive series of radiographic images                                        | \$0                                             |
| D0373    | Intraoral tomosynthesis – bitewing radiographic image                                                        | \$0                                             |
| D0374    | Intraoral tomosynthesis – periapical radiographic image                                                      | \$0                                             |
| D0387    | Intraoral tomosynthesis – comprehensive series of radiographic images – image capture only                   | \$0                                             |
| D0388    | Intraoral tomosynthesis – bitewing radiographic image – image capture only                                   | \$0                                             |
| D0389    | Intraoral tomosynthesis – periapical radiographic image – image capture only                                 | \$0                                             |
| D0460    | Pulp vitality tests                                                                                          | \$0                                             |
| D0470    | Diagnostic casts                                                                                             | \$0                                             |
| D0601    | Caries risk assessment and documentation, with a finding of low risk                                         | \$0                                             |
| D0602    | Caries risk assessment and documentation, with a finding of moderate risk                                    | \$0                                             |
| D0603    | Caries risk assessment and documentation, with a finding of high risk                                        | \$0                                             |
| D0701    | Panoramic radiographic - image capture only                                                                  | \$0                                             |
| D0702    | 2-D cephalometric radiographic image – image capture only                                                    | \$0                                             |

Covered Services are listed with the American Dental Association (ADA) procedure code.

| ADA Code | Services                                                                                                                                                     | When using a Participating <sup>3</sup> Dentist |
|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------|
| D0703    | 2-D oral/facial photographic image obtained intra-orally or extra-orally – image capture only                                                                | \$0                                             |
| D0706    | Intraoral – occlusal radiographic image – image capture only                                                                                                 | \$0                                             |
| D0707    | Intraoral – periapical radiographic image – image capture only                                                                                               | \$0                                             |

|          | Premium materials are frequently offered by dentists as alternatives to the standard porcelain/ceramic substrate and porcelain-fused-to-metal materials for dental restorations. These materials are marketed under different brand names and may be available through your Blue Shield of California Participating Provider at the copayments listed below. Crowns, bridges, Inlays, and Onlays, fabricated in these premium material alternatives and prepared and delivered on the same day are subject to an additional \$250.00 in-office lab fee. |                                                 |

## Notes

### 1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

### 2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

### 3 Using Participating Dentists:

Participating Dentists have a contract to provide Dental Care Services to Members. When you receive Covered Services from a Participating Dentist, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

### 4 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance.

### 5 Dental Care Services:

All dental Benefits are provided through Blue Shield's Dental Plan Administrator (DPA).

Dental Care Covered Services. All Covered Services must be Medically Necessary and must be provided by the Member's Dental Center or other Participating Dentist when referred by the Member's Dental Center and Authorized by the contracted Dental Plan Administrator.

---

### **6 Laboratory Fees:**

Denture repair, biopsy, and excision Covered Services are subject to an additional charge for lab fees. The Member is responsible for paying the lab fees plus any applicable Copayment or Coinsurance for these services.

---

### **7 Denture Reline Services:**

The Copayment or Coinsurance for Covered Services applies if done within six (6) months of the initial insertion of a denture.

---

### **8 Orthodontic Services:**

Orthodontic Covered Services. The Copayment or Coinsurance for Orthodontic Covered Services applies to one course of treatment per lifetime. The course of treatment must be received in a 24 consecutive month period. This applies as long as the Member remains enrolled in the Plan.

Full case fee. The full case fee for Orthodontic Covered Services includes a consultation, a treatment plan, tooth movement, and retention limited to \$250 per case. Orthodontists may charge Members separately for records.

---

### **9 Palliative Emergency Treatment:**

For an emergency oral exam with palliative treatment, if the treatment includes a listed procedure, then the regular Copayment or Coinsurance applies.

---

Plans may be modified to ensure compliance with State and Federal requirements.
